## A Tribute, Our Board, and More!

### July 2025

Hello from the Ferguson Historical Society (FHS)! We have a bit of information we wanted to share with you since our last newsletter in January 2025.

### A Tribute to Sandy Hunter

In late-June, Sandy Hunter passed away. Sandy was a life-long resident of Ferguson and she served on the FHS Board of Directors for many years. Sandy had a beautiful spirit and such a kind heart. She will be greatly missed.

### The Board of Directors

Our FHS Board of Directors has changed a bit since January. In mid-June we took the photo on the right, but at least two members couldn't be present. Pictured are from left to right are Jill Holtrop and Jeannie Boettcher (front row), and Suzann Cross, John Knowles, Jerry Benner and Mary Haux (back row). Not pictured is Maggie Sullivan who is new to the board, and Sandy Hunter who passed away just a couple of weeks after this photo was taken. In addition, Emily Lane is not pictured. Emily served on the board for several months in early 2025.

Our board officer positions include:  
Mary Haux, President  
Jeannie Boettcher, Vice-President  
Suzann Cross, Secretary  
John Knowles, Treasurer

While the officer positions are currently filled, we have a number of open positions on the board. If you are interested in joining our merry band of "history nuts," please let us know. **We have a monthly board meeting at the History House usually on the second Wednesday of each month. We begin at 6:30 PM. All board meetings are open to the public.**
